Board of Municipal Art Commissioners

Greetings:

At the meeting of the Council held September 15, 1931, the following report of the Public Welfare Committee was adopted:

"In connection with the request of the Municipal Art Commission that the Fiesta Flag recently adopted by the City Council be referred to said Commission for approval:

The City Attorney reports that it is his opinion that the design of the official flag of the City of Los Angeles does not come within the definition of works of art, and therefore, it is not necessary that the design of said flag be submitted to and approved by the Municipal Art Commission before it is adopted by the City Council.

We therefore recommend that said request be filed, and that a copy of the City Attorney's report be transmitted to the Municipal Art Commission."

A copy of the City Attorney's report is enclosed.

Respectfully,

Robt. Dominguez
City Clerk

REPORT NO. 6

AUG 22 1931

TO THE PUBLIC WELFARE COMMITTEE
OF THE HONORABLE COUNCIL
OF THE CITY OF LOS ANGELES.

Gentlemen:

Answering your request for an opinion as to whether or not it is necessary for the design of the flag, the design of which is adopted by the Council of the City of Los Angeles, to be submitted to and approved by the Municipal Art Commission before the same is adopted by the City Council, will say that:

The charter provides that "no work of art shall become the property of the City of Los Angeles, by purchase, gift or otherwise, unless such work of art or the design of the same, * * * shall first have been submitted to and approved by the Board of Municipal Art Commissioners * * *." The same section of the charter defines works of art as "all paintings, mural decorations, inscriptions, stained glass, statues, bas-reliefs and other sculptures, monuments, fountains, arches, gates, and other structures of a permanent character intended for ornament or commemoration."

It is our opinion that the design of the official flag of the City of Los Angeles does not come within the definition of works of art as set forth in said section of said charter, and, therefore, it is not necessary that the design of said flag be submitted to and approved by the Municipal Art Commission before it is adopted by the City Council.

File No. 3893 (1931) is returned herewith.

Yours very truly,

ERWIN P. WERNER, City Attorney,
